Action Taken Report Based on the Feedback for the Academic Year 2021-22

A meeting was held on 24th June, 2022 to discuss the feedback received from students on academic and facilities provided for the academic year 2021-22.

It may be concluded that from the feedback that most of the students agreed that they have acquired new knowledge related to their subject. The students also developed the ability to apply the knowledge and skills they have acquired. The students consider that the subjects they studied are relevant to the present time. Students were satisfied with the mentoring process and over all learning environment and were happy with the pedagogy used by the teachers in the classrooms. They are happy with the extra-curriculum organized by the college. Following are some steps taken in this regard:

- ❖ Through inter active sessions and by means of different pedagogies like power point presentation, screening of films based on syllabus, the teachers of the college will implement to cultivate interest towards syllabus among the students.
- ❖ It was suggested to maintain the proper cleanliness on the campus
- ❖ Career Counseling cell of the institution should organize programs to motivate students for competitive exams
- ❖ Engagement of alumni should be strengthened in different capacities
