## ANALYSIS OF EMPLOYERS FEEDBACK AND ACTION TAKEN REPORT -2019-20

The Internal Quality Assurance Cell (IQAC) collected feedback from various employers/firms to guide the college's future strategic development. Almost 10 employers have taken the time to offer their opinions. As a higher education institute dedicated to imparting not only theoretical knowledge but also essential soft skills to students, the college recognizes that its commitment extends beyond the confines of the classroom.

Understanding the pivotal role of employers' input in shaping the students' holistic development, the college has undertaken assessment of soft skills, communication proficiency, problem-solving abilities, teamwork ethics, ingenuity, and technological acumen among its students. To facilitate this, feedback from employers was systematically taken through a structured questionnaire distributed to various agencies and firms. The responses are scored in a four-point scale for each item i.e., Unsatisfactory (1), Satisfactory (2), Good (3) and Very Good (4).

**Total Number of Responses: 10**

## EMPLOYERS' FEEDBACK

The majority of the employers agreed that the students of the Anand Arts College have good moral standards and ethics along with their commitment. They also praised the domain related knowledge of the students.

## SUGGESTIONS

The employers suggested for the cultivation of competitiveness among students within the college. Furthermore, they have suggested that students be provided with training to enhance their proficiency in composing various types of letters, including letters of order, letters of inquiry, letters of complaint, letters of execution, and email writing.

## ACTION TAKEN

The college offered skill-based courses such as Functional English, Journalism, Writing Skills etc in which all such topics have been covered.
